Pearson MePro Level 9 Proficient

Issued by [Pearson MePro](#)

Level 9: Proficient - The pre-advanced Level in the Me Pro English Learning Program covers the area of measurable proficiency at the C1 level of the CEFR. It maps 76-84 of the Global Scale of English. At this level, the learner can (i) interact with fluency and only occasional repetition can be noticed in regular interaction with native speakers without any strain on either party and (ii) produce wide vocabulary with flexible use to convey precise meanings on a wide range of subjects.
